There were some upset people—the message said that the facility would probably be rebuilt –but look to Thanksgiving or Christmas

We mentioned that they should call the fire department—Chief corrected and said call city hall331-0600

We hope to get some information to be communicated on the city website—Chief mentioned—

Time frame and info on line and who will do what and when—a list was passed around as to where people would live—

Mail will be held at post office in Rocky River for 30 days and then change of address needed or mail returned to sender

Camera came to meeting sent away—Kelly Stillman was present and it was good that he was there—one resident was a little upset and Kelly's presence felt.

Meeting closed at about 9PM
Phone calls expected

Next meeting ;
To be scheduled when they have information—

(if the city could be utilized it would help—the party room was to small for this get together---
